

*Argonne Henderson***WAIVER FOR GAS WELL WITHIN THE CITY OF FORT WORTH**

I, Alejandro Garcia, am the owner of real property located at 4045 James Ave Fort Worth, Texas, more particularly shown on the map of record in Volume 16135 Page 263, Plat records of Tarrant County, Texas or per Tax Tract Number 38210-30-13, Tarrant County, Texas and described as Block 30, Lot 13 in the Shaw Heights Addition Subdivision. I understand that the current Gas Drilling Ordinance of the City of Fort Worth requires all gas wells to be drilled six-hundred (600) feet from any residence, religious institution, public building, hospital building, school or public park, but allows the property owners of such uses to grant a wavier to allow the drilling of gas wells to occur closer than 600 feet.

By this waiver, I hereby grant to Chesapeake Operating Inc. permission to drill one or more gas wells closer than six-hundred (600) feet to the structure located on my property, but in any event, the gas well bore may not be located any closer than 300 feet to any structure which would include a residence, religious institution, public building, hospital building, or school building on my property as measured in a straight line, without regard to intervening structures or objects, to the closest exterior point of the building.
